

**WE ACCELERATE CHANGE | EDUCATE. ENRICH. EMPOWER**

## MISSION STATEMENT

Provide a program of streamlined resources designed to complement the broader array of education, enrichment, and empowerment that such youth (11-18 years old) with incarcerated parents, caregivers, and their families may receive support from our organization throughout the years of maturity and growth as a youth.

## PROGRAM OUTCOMES

Increased knowledge of managing finances

Increased confidence in preparing for the future

Increased social-emotional relational skills

## ABOUT US

C.R.O.W.N.S, also known as Creating Roles of Winner in Society, is a 501(c)(3) nonprofit organization founded in 2019 to mentor and support every youth, caregiver, and families impacted by incarceration through their parents in Houston, Texas, and surrounding areas.

## OUR APPROACH

We believe that learning how to make sound decisions without being influenced negatively by community and social surroundings including advertisement, this will positively impact youth and their parents.

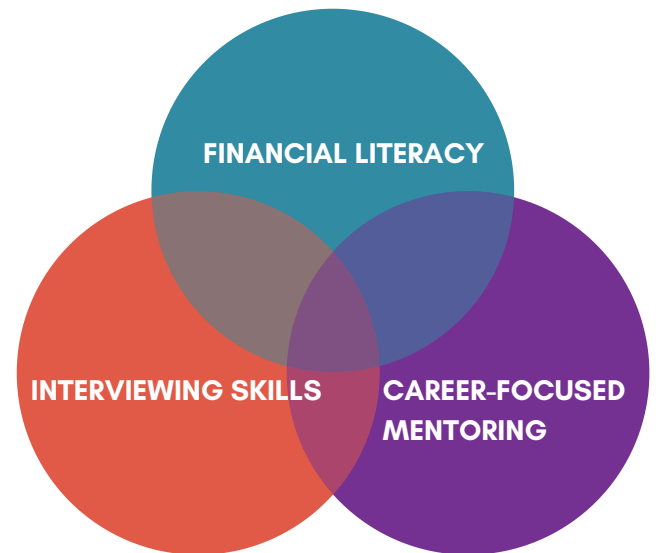

## PROGRAMMING FORMAT

- 1 Spring or Fall Semester
- 2-4 weeks long after-school camp for Middle and High School students
- 2-hour weekly mentoring sessions

## WHY PARTNER WITH US?

Trust, collaboration, innovation, and experience in delivering positive change and education within our community for youth and their families.

## C.R.O.W.N.S CLUB CURRICULUM

**Financial education** is how youth can learn to achieve financial well-being. Youth should be educated about finances early in life and at pivotal points in their development and financial lives.

Developed to help **youth learn the skills** required for an interview, the stages of the interview, and the most common questions for an interview.

A **topic-focused mentoring** will focus on career development and employment aspects, such as writing resumes, conducting mock interviews, and developing on-the-job skills.
